"My wife and I were delighted with the magnificent day you provided for us on Saturday. Every single one of our guests said it was one of the most memorable days entertainment they had experienced. The front of house staff deserve special mention for their efficiency in directing our guests to our Suite. We do not have words to say how much we enjoyed the atmosphere, fantastic food, service and the superb location you provided us with. What a view the Lagunas Suite gives, that WOW factor as we walked into the room. Unforgettable! Thank You!"
