

LINGFIELD
PARK
WEDDINGS

Welcome

Welcome to Lingfield Park – the UK's first Racing Country Club. It's also a beautiful and unique venue for your wedding. The warmth of our welcome from the very first time we meet will shine through as our knowledgeable staff guide you through our beautiful estate, showing you all we have to offer.

Located in over 450 acres of stunning Surrey parkland, Lingfield Park has all the aspects you may be looking for, ensuring you feel like the most important couple in the world.

Our racecourse has heritage – originally opened in 1890 by the Prince of Wales and we've been hosting horse racing here ever since. To keep our regal status, every part of our venue has been recently refurbished to provide state-of-the-art facilities in stylish surroundings, and our newly built 4-star Marriott Hotel and Country Club has been integrated into the contemporary feeling of the site.

Our venue is available all year round including the option to marry and have your reception on a race day.

Ceremony Rooms

Whether you choose to have a civil ceremony in one of our licensed suites or are simply looking for a stunning reception location, Lingfield Park will exceed your expectations.

We can hold civil ceremonies in a number of suites both on the racecourse and within the hotel. Our Pavilion suite can seat up to 450 guests for your ceremony or for more intimate occasions; our Grandstand, Hotel and Eclipse suites are ideal for up to 120 guests. If you're planning a larger event, our range of optional marquees should suit your needs.

Wherever you choose, you're guaranteed great views and lots of natural light to set the mood and as many of our rooms have balconies there's the opportunity to bring the outside in. As an added benefit, the parkland and manicured gardens provide stunning backdrops for your photographs.

Catering

Our passion for all we do is evident throughout your time with us and our love of food is apparent. Our acclaimed in-house catering team can work with your ideas and themes to deliver a wedding breakfast that your guests will remember. We aim to source the majority of our food locally and change menus according to the season, your taste and budget.

We know that arranging wedding ceremonies and receptions involves much detailed planning. Because of our outstanding reputation as a wedding venue we have both the expertise and the experience to help you all the way through.

Every detail will be effortlessly arranged to suit your taste. Our knowledge of the formalities, the individual touches which make that difference and the willingness to go that extra mile to make your special day both memorable and enjoyable give us the winning edge.

Lingfield Park Marriott Hotel & Country Club

The Lingfield Park Marriott Hotel & Country Club, opened in spring 2010, is a stunning addition to the site. With 116 bedrooms, the Cyprium Bar and Grill, full leisure facilities including the 18-hole championship golf course and Breathe Spa, it's a great place for your guests to retire to after your wedding and perhaps enjoy a couple of days away with us.

All our rooms have either a king size bed or two double beds, en-suite facilities, air conditioning and complimentary wireless internet access. There are 28 superior balcony rooms available, all offering a view

of the racecourse or golf course with private balcony, bathrobes and slippers.

For the ultimate experience there are six junior suites offering panoramic views of the racecourse and golf course – perfect for your first night as a married couple.

The groom's party can enjoy an early morning round of golf on our beautiful 18-hole championship course to settle the nerves whilst the bride and her attendants are sure to find a relaxing treatment in our stunning Breathe Spa, time well spent.

Shaddi at Lingfield Park

Lingfield Park is the perfect venue to hold your dream Shaddi. Our Pavilion suite can hold up to 450 guests theatre style or if your wedding needs more space, during the summer months, we have the option of a marquee in our beautiful parkland for up to 1000 guests.

We welcome the colour and vibrancy that Indian weddings bring to Lingfield Park and can happily work alongside traditional catering and decoration companies of your choice.
