

Carden Park Hotel Stays at the Top

Carden Park Hotel, Golf Resort and Spa scooped another Visit Chester and Cheshire Award on 11th June 2010.

The award ceremony is designed to celebrate local businesses which have been innovative, improved quality and have helped to attract tourism to Cheshire.

Carden Park Hotel, Golf Resort and Spa, near Chester, was the worthy winner of the 6th annual tourism awards in the Excellence in Business Tourism category for the second consecutive year.

The venue continues to go from strength to strength and is increasingly attracting more visitors year on year. Not content with being a leading Cheshire business conference centre, and beautiful Cheshire wedding venue, the luxury spa hotel is also becoming well known throughout the North West and beyond for its 2 golf courses too.

Retaining the award for a second year has been a major achievement for the Cheshire hotel, and shows the dedication and enthusiasm of all involved at Carden Park. The conference, wedding, spa hotel and golf course elements of the business work together to provide what guests and delegates want, and ensure that Carden Park stands out from the other hotels in the region.

Speaking from the awards ceremony, a delighted Hamish Ferguson commented,

"We are delighted to win this award for the second year running. It's testimony to the fact that over the last two years we have continued to invest both in our team and in the product."

With over £5m recently spent on improving the hotel rooms and the conference centre, it's clear that Carden Park is looking to the future. Those looking for a conference centre, luxury Cheshire hotel or a wedding venue can be sure that that they are getting a unique experience in an unrivalled location.

Visit Chester & Cheshire Business Tourism Account Manager, Fiona Brown explained:

"The awards represent Visit Chester & Cheshire's commitment to encouraging excellence within the destination, both for business and leisure venues. We are delighted for the winners and hope that winning such prestigious awards will help to develop and grow their business further in the next 12 months".

Winning the Excellence in Business Tourism award again for the second time will help Carden Park improve on its position, and encourage more people to experience Carden Park, whether they are hotel guests, conference guests or

wedding guests. Thanks to its superb location and grounds, the venue is ideal for weddings, conferences, pampering weekends or a golf break, as well as getting away from it all at a luxurious country hotel.
