### **Travelling By Road – from the M62**

Leave at Junction 6 (A5300 Knowsley Expressway). Follow direction signs for Liverpool Airport and take the A561 road towards Liverpool. Drive past Liverpool Airport, Garston Docks and Liverpool Cricket Club and after approximately 10 minutes, you will come to a large junction with shops on the right hand side and landscaped areas on the left hand side. Take the left fork in the road into Jericho Lane and carry on until a roundabout is reached. Turn right at this roundabout (following the main flow of traffic) on to Riverside Drive. You will pass housing estates to your right and parkland and the River Mersey on the left. Carry on through various roundabouts, and go past the Britannia Pub. Turn left off Riverside Drive at the Jaguar House garage, then turn immediate left behind it. You will see the Chung Ku Chinese restaurant, and Curtin House is the second office on the right beyond this restaurant. There is adequate parking on site.

### **From Liverpool City Centre**

At the Liver Building head south on The Strand/Strand Street/Wapping (A5036) parallel to the river with Albert Dock on the right. At a set of traffic lights just after the Dolby Hotel on the right, follow the A5036 parallel to the river and do not bend to the left. Continue on this road, Sefton Street for about 1½ miles, passing a Shell garage on the left and a number of car showrooms. At the second roundabout turn right and go behind the Jaguar House garage and turn immediate left behind it. You will see the Chung Ku Chinese restaurant, and Curtin House is the second office on the right beyond this restaurant. There is adequate parking on site.

### **Overland trains**

At Central Station take the train to Hunts Cross and get off at the first stop Brunswick. Leave the station and turn left onto Sefton Street and walk down to the roundabout past Subway and Johnsons the Cleaners. At the roundabout cross the road and go behind Jaguar House, then turn left immediate left behind it. You will see the Chung Ku Chinese restaurant, and Curtin House is the second office on the right beyond this restaurant.

### **Parking**

There is adequate parking on site.
