# WE'RE HELPING OUR CUSTOMERS SELL IN A MATTER OF DAYS

TAKE A LOOK AT WHAT SOME OF THEM HAD TO SAY...

Mr and Mrs Hume bought at one of our developments in County Durham. They used EasyKey and were able to sell their property in just two days.

We were keen to sell our two bedroom bungalow for a larger property, with space for family and friends to stay. We saw the signs outside the development and immediately liked the homes – and the affordable prices! Then Keepmoat Homes told us about EasyKey and we were able to sell our bungalow in only a couple of days.”

Mrs Hume

Mr and Mrs Danilowicz bought a three bedroom Oakhurst home in Thornaby, Stockton-on-Tees. They had an offer on their old home after just two weeks thanks to EasyKey.

Within two weeks of our home going onto the market through the EasyKey scheme, we had an offer. The whole process was stress-free. Keepmoat Homes coordinated the estate agents, surveyors and valuations of our home and within just over a month it was sold. We are now looking forward to settling into our new house, without the pressures of needing to redecorate or renovate. People often say that moving home is one of the most stressful things you can do, but this has been a breeze.

Mrs Marie Danilowicz

And now you too could be in your brand new Keepmoat home just as quickly and easily, with EasyKey.
