LONDON SOUTHEND AIRPORT COMPANY LIMITED

AIRPORT GENERAL NOTICE NOT/37

RUNWAY 24/06 MAINTENANCE WORKS

1.0 Introduction

As part of the ongoing maintenance works and following on from the runway resurfacing carried out in February and March, it is planned to carry out further surface improvements to the 24 threshold, alpha taxiway junction and existing alpha taxiway.

This major maintenance will result in inevitable runway closures. We have worked hard to minimise the impact on airport users, but regret that some disruption will be inevitable as a result of the planned works.

2.0 Airport Closures

2.1 Night Closures

The drainage and infrastructure maintenance will be completed on a series of night closures:

- Monday to Sunday 22.00 hours to 08.00 hours from the 1st August 2011 to the night of the 11th/12th December 2011.

As discussed at the recent Users meeting, during this period the airport will be closed at night and we would ask users to make alternative arrangements.

3.0 Enquires

Any questions regarding this notice should be made to Barry Carter Facilities Manager 01702 608104.

Issued By Alastair Welch – Airport Managing Director
