

De- Icing

In the event of a frost warning de-icing service will be available during operational hours (Monday – Friday 07:00 – 18:00).

We are able to offer a standby service outside of the normal operating hours this service would require a minimum of 8 hours notice and does carry with it an associated cost.

If you require any further information regarding de-icing please call Southend Handling +44 (0) 1702 608150
