Neighbourhood Watch (NHW) and West Mercia Police - Our Pledge

We will work together to help communities to protect themselves and their property.

West Mercia Police will endeavour to:	NHW representatives will endeavour to:
Encourage our staff and officers, particularly local policing teams, to engage with local NHW groups and to utilise the wide range of skills and expertise of NHW representatives.	Develop relationships with local policing teams and work with them to provide reassurance and to reduce the fear of crime in the community.
Provide up-to-date information on crime, intelligence and other relevant information and expert advice on all aspects of crime reduction. This will primarily be done through the Ringmaster Scheme.	Share information about suspicious or crime related activity in your area.
Supply NHW representatives with timely updates in response to the information that you supply to us.	Actively promote crime reduction techniques that are supported by West Mercia Police.
Inform NHW representatives, where possible, of policing initiatives that will impact on your community.	Positively promote NHW to members of the community and to support the development of new groups.
Encourage local policing teams to develop new NHW schemes, particularly in areas where coverage is low.	Contribute towards increased neighbourliness and closer communities.
