

You can outsmart car thieves by using this simple checklist when leaving your vehicle unattended, even if only for a short time, and placing the card ('STOP' side up) prominently on your dashboard.

Have you...

- Shut all the windows and locked the doors?
- Taken your car keys out of the ignition?
- Removed any valuables and personal belongings from the car?
- Removed your sat nav and its cradle and wiped away the sucker marks?
- Parked safely in an open, well-lit area?

To report vehicle crime call 08457 444 888
