Dear Sirs

**REFERENCE FOR WRENCO (CONTRACTORS) LIMITED  
WITHOUT PREJUDICE**

I would like to confirm that over the last five years, Wrenco (Contractors) Limited have carried out Bridge Strengthening and Maintenance schemes for Warrington Borough Council.

I can recommend Wrenco as a competent and professional Contractor and would be happy to work with them again in the future.

The Council is moving away from using a Select List of Tenderers for appointing Contractors and is now using Construction Line and the Contractors Health & Safety Scheme (CHAS).

I hope this information assists you but should you have any queries please do not hesitate to contact me.

Yours faithfully

Andrew West
